gsLearn:

gsLearn is Girl Scouts' official online and on-demand training forum. It empowers learners to complete training as it works best for them. Learners have access to Girl Scout-specific content that supports accuracy and consistency in the trainings provided. gsLearn is mobile friendly to ensure access is always available.

Learners are loaded into teams to ensure that they are receiving the training content designed specifically for their Girl Scout Volunteer roles! The best part? Every training that you need will be available on your individual training dashboard. How simple is that?

The Learner Dashboard is your command central. With links to courses, your trophy case of achievements and badges! Trainings are grouped into categories, called Learning Paths that take you through a series of applicable Courses. Courses provide you with information and knowledge checks to ensure that you are retaining the information you are learning.

If at any time you experience an issue with gsLearn, please contact customercare@gsmw.org for help!
